

KAZI OMAR FARUK

Industrial Engineer

 01581-121212 |  koffaruk007@gmail.com |  <https://www.linkedin.com/in/kazi-omar-faruk-23a5bb345>

PROFILE

Industrial & Production Engineering graduate with academic exposure to operations management, supply chain, quality control, data analysis, and optimization techniques. Able to quickly adapt to new environments, learn unfamiliar tools and committed to deliver reliable results through collaboration, and continuous learning.

EDUCATION

- Khulna University of Engineering & Technology | 2022-2026
Bachelor of Engineering in **Industrial & Production Engineering (IPE)**
- Khulna Public College | 2018-2020
Higher Secondary Certificate

WORK EXPERIENCE

- Kazi Farms Kitchen Franchise | 2025-2026
Inventory Coordinator Satkhira, Khulna

Managed inventory records for over 20 SKUs using Microsoft Excel. This helped track stock movements and sales transactions accurately. I identified inventory consumption and sales trends also risks of stockouts and ensured products were replenished on time.

- Dream | 2025-2026
Senior Executive Khulna

It's a voluntary club at KUET that facilitates blood donation support. I have coordinated with donors, recipients, and volunteers to provide timely blood donation support for those in need.

PROJECTS

- **Inventory Management System** | 2026
Developed an Excel-based inventory management system to automate stock tracking . I have used VLOOKUP, SUMIF, INDEX-MATCH, Pivot Tables to create interactive dashboard while generating automated low-stock alerts.

- **Logistics Analysis** | 2026
An Excel based project where i've analyzed 2,000+ operational records to evaluate logistics performance . Identified key performance trends and built an interactive dashboard to automate performance tracking and carrier comparison.

CERTIFICATIONS & AWARDS

- Microsoft Excel with AI SkillCourse | 2026
- Merit Based Scholarship KUET | 2022
- I-Gen Runnerups Prothom Alo | 2018

SKILLS

- Excel
- Power BI
- SQL
- Python
- Autocad
